HP IPF AND PA8800 WORKSTATIONS

Products listed on this Exhibit and applicable standard options that are determined by HP to be available from HP upon acceptance of Customer's order earn discounts in accordance with the following Discount Schedule(s) when purchased in accordance with the provisions of Customer's Agreement including all attachments. Custom Product and option discounts are subject to agreement between Customer and HP prior to each order. All language versions of Products listed on this Exhibit qualify.

DISCOUNT

The discounts granted under this Exhibit are in lieu of and not in addition to any other discounts which might be available from HP.

DISCOUNT PERCENTAGE SCHEDULE

			I	II	III
Worldwide US Dollars					
	0 -	999 999 999	25.00	40.00	40.00

PRODUCTS

A detailed listing of the specific Products and associated discount columns is available from HP upon request.

HP may add or delete Products from this Exhibit at its discretion, without notice.

Certain Products on this Exhibit are not available on HP OEM or VAR purchase agreements. For futher details, please contact HP.
